Due: June 13th, 2023

Are you hoping to be more involved in the community?
Would you like to learn more about Marshall?**

Marshall Leadership Academy (MLA) is hosted by the Marshall Area Chamber of Commerce. This program is designed to build community leaders. MLA provides participants with a unique opportunity to turn knowledge into action through classroom experiences, hands-on activities, and community awareness.

This program had been in place for over 10 years (1998-2013), and we brought it back in 2021. We are excited to have another MLA in 2023-2024! We are looking to educate and develop our leaders to better themselves and their community.

Over the period of nine months, participants will experience 9 days of classes. Each participant will be assigned to a project group, which will assess community needs, determine a project, and facilitate the project working with other community members and/or groups. Group work will culminate with a group project presentation at graduation. Class size is limited. Participation in the program will require acceptance of your application.

New this year: we are incorporating leadership roundtables centered around John Maxwell and led by certified John Maxwell coach, Desiree Petrich with Intentional Action, LLC.
