The weather is warming up which for many, that means it's time to take off on the weekends to the cabin!

However, for those that stay here and for those that have cabins that want to stay back, you can count on many things to do this summer.

Let's talk about what you can count on this summer in the Marshall area.

How about axe throwing at Wings Axe Company? They have a giant garage door where you can relax on their patio along the river. What a great setting we have in Downtown Marshall!

What about catching a Marshall A's game? No cost to come watch the local baseball town! Come to Legion Field and get your favorite burger and a beverage and enjoy the sun.

Speaking of baseball, you can count on a number of summer baseball and fast pitch softball tournaments in town. Come route on the summer teams that represent Marshall!

At the end of this month, the annual Shades of the Past event is happening on May 31st and June 1st. Always a fun time to go check out the classic car show.

Have you ever stuck around for the July 4th celebration at Independence Park? I think this celebration gets bigger and better every year! Stay tuned for more details about this event!

Speaking of July 4th, that first weekend of July you can count on the return of the Marshall Farmers Market all the way through the end of October. Come support them!

Of course during the month of August is a great time to stick around. The Lyon County Fair and the Sounds of Summer events the last couple of years have been extremely successful! Mark your calendars for August 14th-18th for the Fair and August 22nd-25th for the Sounds of Summer.

And what about the events going on during the week? Band shelter concerts, Crazy Days, the return of Thursdays on 3rd, National Night Out, Traveling Trivia and much, much more.

Give our community calendar a look at our website at www.marshallmn.org and also give a look at the Visit Marshall website at www.visitmarshallmn.com. You can also sign up for our weekly event newsletter by going to our website and scrolling to the bottom of the page and clicking on eNews Signup.
