Marshall Area Chamber of Commerce Connection to Local Business, Public Policy, Economic Development & Community Events

Brad Gruhot
Marshall Chamber President

Fall has been in the air over the last 10 days with September like weather but summer is not over! I know that is what your kids and grandkids will tell you!

This week and next week are a very busy time for the Marshall Area!

I hope that you take up the Lyon County Fair this week as the lineup is stacked with great entertainment, food vendors, the busy 4-H Buildings and so on. Are you one of the many that HAS to get a piece of pie from the Holy Redeemer Fair Stand? Are you an annual regular for the Rodeo? Come see me tomorrow at the Holy Redeemer Fair Stand. I will be there most of the day and night.

Thank you to the Lyon County Fair Board and all of the volunteers for all of the work you are putting into this week's Fair to make it a super successful week! And, it's what we like to call "Chamber of Commerce" weather as well!

Next week is the Sounds of Summer! Another volunteer-led event that brings numerous people to Marshall. Who doesn't love a parade? Just like the Fair, you can count on a lineup of entertainment both Friday and Saturday night as well as the classic car show put on by the Shades of the Past in Downtown Marshall.

Maybe these two weeks are a good reason to stay home from the cabin and see why Marshall shines during this time!

A big shoutout needs to go to Brock Klaith and Small Town Events, LLC as he helps coordinate so much activity during these busy two weeks in Marshall. Thank you, Brock!

Hope to see you out and about the next two weeks!
