Marshall Area Chamber of Commerce Connection to Local Business, Public Policy, Economic Development & Community Events

Ellen Griebel
2023-2024 Board Chair

As past Board Chair of our local Chamber of Commerce, I've witnessed firsthand the incredible impact the Chamber has on our community. At its core, the Chamber serves as a driving force for economic growth, supporting businesses of all sizes and fostering a thriving local economy. Whether it's advocating for policies that benefit local businesses, hosting networking events to connect entrepreneurs, or providing educational workshops, the Chamber is dedicated to empowering our business community. Beyond that, it plays a critical role in creating partnerships that strengthen the entire region, benefiting not just businesses but residents as well. Together, we've tackled challenges, celebrated successes, and worked tirelessly to ensure our community continues to stand out as a hub for Southwest Minnesota.

The Chamber also serves as a champion for community development. It promotes local

businesses through marketing initiatives, drives tourism with community events, and collaborates with city leaders to attract new opportunities to our area. By addressing key issues like workforce development and infrastructure, the Chamber helps ensure our community remains a vibrant and attractive place to live, work, and invest. It's about more than just business—it's about creating a better quality of life for everyone who calls our area home.

If you're not yet a member, I encourage you to consider joining. The Chamber is your partner in success and a vital resource for building connections and driving growth. By becoming a member, you're not only supporting your business but also investing in the future of our community. It's an opportunity to expand your network and enhance your visibility. Whether you're an established business owner or just starting out, the Chamber offers the tools, connections, and support to help you thrive.

-Ellen
