Marshall Area Chamber of Commerce Connection to Local Business, Public Policy, Economic Development & Community Events

Brad Gruhot
Marshall Chamber President

Happy New Year, everyone!
 Good news! Our 2025 Coupon Book is now out! Stop by the Chamber office to get your coupon book today for close to \$5000 in savings! There are multiple groups out helping sell the books as well! This is our biggest fundraiser of the year and it promotes shopping local. You are actually losing money by not buying one, so stop and get yours! Coupons are good through December 31st!

Membership is very strong right now. As I type this on Monday of this week, we have seven new members this month and we brought in nine in December. We now sit at 633 members which includes 12 student members. Most of the student members are courtesy of the Lyon Murray CEO program.

Our new community guide will be mailed to you very soon if you are a local Marshall Independent subscriber. Give this guide a good look as it's filled with community information including our most up to date membership directory. Support the businesses that support the business community! Thank you to Shelby from our team who put many hours of work putting the 2025 Community Guide together!

We have had our current Chamber Gift Check program now for close to 15 years and we are nearing the million dollar mark! This is an excellent program that promotes local shopping. Stop and in and get yours today if you are looking for a perfect gift for staff, family or friends!

Save the date for the Annual State of the City Address on Wednesday, February 26th! At this event, Mayor Bob Byrnes and City Administrator, Sharon Hanson talk about all of the good things that happened in 2024 and what to expect in 2025. This event is open for anyone to attend. More information on our website at www.marshallmn.org. Thank you for reading and have a safe and healthy 2025!
