Local Shopping Importance

Every November and December, the Marshall Area Chamber of Commerce ramps up the push to shop local during the Holiday season.

What shouldn't be overlooked is the fact that shopping and living locally all year long is important.

We saw evidence of some of this during the afternoon of the 14th when Downtown played host to the Saint Patrick's Day Parade. It could have been a much bigger day of supporting our Downtown shops and bars, but we cannot control Mother Nature.

It's amazing how many times during the year, how casually people are when they say that they "just went online and ordered it". Or, they used their "Scheel's points" in Sioux Falls just recently.

Although we don't have every service in Marshall, we have most services. It concerns me even more when I hear about a non-profit or a fundraiser that ordered something online for their event, and then, when it comes to annual giving and sponsorships, they hope they can be supported.
