

Chamber CONNECTION

The Marshall Area Chamber of Commerce Connection to Local Business, Public Policy, Economic Development, & Community Events

A Word from the Chamber President...

Brad Gruhot
Marshall Chamber President

To no one's surprise, who is reading this, today's write-up will be about getting out and shopping today during Crazy Days. Several of our local businesses will be having sales citywide and then there will be activities and more sales Downtown.

The College Drive construction project is in year two, and the project is moving right along. As you are out and about today and throughout the weekend, be sure to stop by a business that has been affected by the construction. Think about the businesses on College Drive along the stretch from Mustang Trail by Borchs all the way to Bruce Street. Then the few businesses on the other side of that intersection.

The intersection on Main Street and College Drive is open, but be sure to stop and get lunch or do some shopping at the businesses that are located up against that intersection. Those businesses still need to see you!

Finally, there are some businesses right along the project that I hope you can stop by as well. Happy shopping! Stop by and say hi to the team at the Chamber today. We will be outside as well with some deals on coupon books and shirts! -Brad
