A Word from the Chamber President...

Brad Gruhot
Marshall Chamber President

Marshall just hosted a very busy time last week with the Lyon County Fair. Big kudos to the event planners, as the Fair seems to improve every year!

Last night, we saw the beginning of another busy week, Sounds of Summer week. The Battles of the Badges softball game was lots of fun to watch, and the large number of people who were in attendance!

I encourage everyone to take a look at the busy Sounds of Summer schedule of things to do today-Sunday. Something for all ages!

One of my favorite days of the summer is the 3rd Thursday of every August because it's move-in day on the campus of Southwest Minnesota State University, otherwise known as Gold Rush Days. If you get a chance this morning, drive along (slowly) State Street by the dorms and see the exciting energy of students, families, and the huge amount of community volunteers who are there to help with the move-in. Be sure to give people a friendly wave and welcoming smile as you see them around town.

Crazy Days

Downtown Marshall's Crazy Days was held on Thursday, July 16th. The heat didn't keep the people away as vendors, food trucks, Downtown storefronts, and community members alike joined us for a day filled with shopping, discount deals, delicious food, cool drinks, activities, & much more! It was another great year for this event.
